SCHOOL CAMP—Stage 4

On Thursday the 14th and Friday the 15th of June, Stage 4 students attended School Camp at Yarramundi.

The day began with a few quick games of GAGA Ball in the customised ring built by Yarramundi. There were several different winners, however it was clear that the best player was Nick! The students then had a quick debrief with their mentors, Jasper and Ellie, set up their rooms and then forwarded to their first 2 activities (Alpine Rescue and Rock Climbing). Students really enjoyed both challenges, with smiles all round!

Ms Jemmeson's group was said to be the most imaginative at Alpine Rescue, with the goal of putting out a fire in a leaf factory (very creative Blake). After both activities it was on to dinner and Music Master. Every team was very knowledgeable, however, some students had a few questions about Mr Land's taste in music.

The next morning, students completed their next 2 adventure activities (High Ropes and The Giant Swing). It was hard for the teachers to pick a standout at both activities because so many students challenged themselves and tried their hardest despite their fears. After a quick lunch and farewell, students were on the road again back to school.

Overall a fantastic camp with a great bunch of students. Well done to all those involved.
Mr Land (HT Welfare).

Zone Athletics Carnival

The Zone Athletics was held at Blacktown Olympic Park on Friday 1st June. Congratulations to all students who made it to the Zone Carnival to represent Mt Druitt Zone. All our students represented our School well by trying their best and demonstrating good sportsmanship.

Zone Cross Country

Congratulations to all the students that participated in the Zone Cross Country. They put in 100% in all their races. Here are some of our outstanding students participating in the Zone Cross Country a few weeks ago. Our students definitely impressed and made sure to cheer on the rest. Miss Stevens

NAIDOC DAY

This year's theme celebrates the essential role that women have played and continue to play as active and significant role models at the community, local, state and national levels.

Chifley College Mt Druitt Campus celebrated NAIDOC Day on Thursday 8th June. The day commenced with a smoking ceremony for all parents, teachers and students to take part in. This was followed formal assembly where showcased our Aboriginal and Torres Strait Islander students achievements through dance, video and awards. Thankyou to our special guests Claire Beattie (Director of Strategic Communications: Department of Education), Elder Uncle Greg Simms, Nakia Davis-Welsh, Chris Tobin and Jo Clancy. We enjoyed you sharing your wisdom and experiences during your inspirational speeches and demonstrations.

Catering for an Army

5 of our students had the chance to experience life in the food and hospitality industry for a day at Holsworthy Barracks with our partners Compass. The boys showed Clontarf Spirit and worked really hard on the day.

Work Experience

Great to see our 3 Clontarf lads Charlie, Jaydan and Hayden begin their work experience 1 day a week with our partner Bunnings. Awesome work fellas!

CLONTARF NEWS

Name: Lazarus Brown Age: 24

Hi everyone! I'm Laz and I've just started here at Chifley College Mt Druitt. I grew up in Blacktown so I'm excited to now be working within Western Sydney.

What were you like in high school?

For myself, I loved going to school and hanging out with my best mates, I actually preferred to get out of the house and be at school as I got bored being home. My favourite classes were PE and metal work although I always tried my best in the subjects I didn't enjoy as much. I LOVED the feeling of studying and getting back a good result on my exams or tests which drove me to finish year 12!

What inspires you?

My family inspires myself hugely! I've been lucky enough to have had a loving, supportive structure at home which has helped me massively throughout all facets of my life today. Being a proud Aboriginal man and having the opportunity to be in a position to be able to guide, support and mentor young Indigenous men, now, through the Clontarf Foundation is massive for me!
