MT DRUITT CAMPUS
TERM 1 WEEK 3 2021
NEWSLETTER

Message from the Principal

Dear parent/carers,

As we hear daily the number of cases of COVID 19 and the tracing of cases and locations identified, we continue to enforce safe practices at school. Thus, this is a time where it is important that we are vigilant about the COVID procedures in the school to ensure that the school is a safe place.

We have provided teachers with sanitizing products to keep the classrooms are clean. Additional cleaners have been employed to wipe down bannisters and railing. We encourage students to bring their water bottles and not to share equipment among friends and classmates. Correspondence with parents/carers will be via the phone and parents /carers are not to be on school site.

During our time of online learning, we lent out 170 laptops and all bar one has been returned. Presently we are investigating procedures to continue to lend out a limited computer overnight while ensuring that the classroom resources are maintained. I will keep you informed.

Exams will be held in Week 4 and 5. This time they will be held in the classrooms as this has been advised.

CCMD does not want our Year 10 students to miss out in this difficult year. We will be following DoE requirements for the Year 10 graduation. We will be investigating the feasibility of holding a Year 10 Formal.

Be assured we will look after the students and ensure they have a significant farewell.

School life continues and our brilliant students have once again won the first round in the Innovation Australia competition. Please continue to keep safe and thanks for your ongoing support of the school and your child's learning.

Have a safe holiday.

Cathy Anderson
Principal

Welcome to our Year 7 Adviser

Ms Amanda Alderman
